This thread discusses the Content article: Bergen Community College proposes pledge to disavow the First Amendment

2. I will embrace and celebrate differing perspectives intellectually.

I wonder what they would do if the KKK came marching onto campus? Would they run up and embrace them and celebrate?

This sounds like something a Unitarian Universalist minister would say. They are accepting of all people, unless you are a white, male, straight, conservative who owns a gun. I completely agree with UU religious tenets, however their political ideology forced me out of the church.
