\* \* \* AUGUST 1981 \* \* \*

BY GEORGE

As the National Convention nears, we'll be hearing from candidates who are seeking to woo New Jersey's 14 votes.

I've given the matter a great deal of consideration and decided to endorse John Mason for National Chair. Of course I'm joining some distinguished company in doing so--LP founder Dave Nolan, Murray Rothbard, and SIL founder Dave Walter. But that's not my reason. Of the three candidates, Mason is the one I feel is most likely to continue the LP's role as the "Party of Principle." That's important, if our eventual electoral success is to have any meaning at all. Just take a look at how Ronnie Rayguns has abandoned his principles, and you'll see what I mean!

Speaking of conventions, I've looked into the possibility of having the 1982 NJLP Convention--OUR 10th Anniversary Convention--at the Beacon Manor in Point Pleasant Beach, site of our 1979 Convention. It looks like we could put on one heck of a convention--cocktail party, three meals, three speakers, two workshops, a panel on national defense--for \$50 to \$60. We got good press coverage in 1979 despite its being an off-year. And the rooms are at their lowest rates because it's their off-season.

I welcome whatever assistance or comments are offered to produce a successful convention to celebrate our 10th year of existence.

## STEERING COMMITTEE MEETING

The Steering Committee found time to hold a brief meeting during the annual NJLP picnic at Tom and Jan Palven's on July 11th. The meeting began at 5:05 pm. Bonnie Swirsky reported that there was a total of \$750.92 in the treasury. A motion authorizing an expenditure of up to \$100.00 for a mailing to Clark contributors soliciting NJLP membership passed unanimously. Another motion which passed unanimously requires automatic examination and justification of all NJLP business phone calls over 5 minutes before any reimbursement. The meeting adjourned at 5:44 pm.

Present: L. Flynn, C. W. George, R. Shapiro, B. Siegel, B. Swirsky.  
Absent: P. Furlong, J. Balint, C. Samson.

## LIBERTARIAN DIRECTORY

We would like to begin a directory of services to be published in each newsletter. If you have any services or special expertise to offer, perhaps you'd like to advertise in the NJ Libertarian.

An ad with a business card (which covers about 12 lines of regular print) is presently \$3.00 per issue--the Libertarian Directory will offer an even better deal. Six lines of print for \$1.00 per issue. Send info to Ginny Flynn, P.O. Box 118, Jackson, NJ 08527. The deadline for each issue is the 23rd of the preceding month. Make checks payable to NJ Libertarian Party.

NATCOM ALREADY AT WORK ON  
1982 ELECTIONS

by Chuck Pike

The news media has generally viewed third parties as a phenomenon with a four year cycle. Think of them as a plague of four year locusts that cause great aggravation in years evenly divisible by four (eg. 1976, 1980, 1984...) but disappear in between.

Not so the Libertarian Party. While we in New Jersey are working on the 1981 races for governor and local offices, Libertarians across the country are making big plans for 1982. Dick Randolph has already begun a serious bid for Governor of Alaska in next year's race. National LP Director Eric O'Keefe projects the party will field even more candidates in 1982 than in record-breaking 1980. Now, a special committee has been set up by the Libertarian National Committee to spearhead the 1982 Congressional races.

The Libertarian Congressional Committee had an open meeting in Washington, DC in July to discuss its goals and strategy for 1982. I attended to contribute my own ideas (after all, I was a Congressional candidate in 1978 in NJ's 6th District), but mostly to find out what's going on.

Several different viewpoints and strategies were aired at the meeting, but most of those attending agreed on two key points. First, we will be running a lot more candidates for federal office in 1982 than in 1980. Chris Hocker, who has become an expert on ballot

access laws, feels that we can field at least 250 candidates. (Incidentally, he is assuming a full federal slate in New Jersey.) Some people mentioned even higher numbers, possible with greater effort on ballot drives.

The second item of general agreement was that most of the money raised should be spent on nationwide mass-media advertising, where it can help all LP candidates. Tom Palmer has contacted the TV networks about purchasing program time next year, at the same sort of cheap rates that were available to the Clark campaign last year. Some other possibilities that were discussed: nationwide radio network spots, regular TV commercials, and a half-hour program on election eve.

The more mundane matters of the campaign were discussed, too. Like how to raise the money to pay for the media advertising (would you believe Alternative '82?), research on issues, and a special newsletter. It will take more meetings, more planning, and more information to get all of this worked out--but I left the meeting excited about the big plans for 1982. Start thinking about running for Congress!

#### LP NATIONAL CONVENTION

If you haven't made plans yet for the 1981 Libertarian Party National Convention, it's not too late. This convention promises to be the Libertarian event of 1981--with exciting speakers, panels, debates, and parties that are simply without rival. So if you haven't made your travel plans, call your travel agent today. They'll

be able to arrange low-fare travel without costing you any more than if you arranged it yourself.

Hotel arrangements can be made directly through the Denver Hilton (1550 Court Place, Denver, CO 80202) or you can contact the Libertarian Convention Committee (1041 Cherokee St., Denver, CO 80204) for a list of other less expensive housing arrangements in the immediate convention vicinity.

This is your chance to create the future--by building an effective Libertarian Party. Don't miss it.

"THOSE WHO PROFESS TO LOVE FREEDOM, AND YET DEPRECATE AGITATION, ARE MEN WHO WANT CROPS WITHOUT PLOWING UP THE GROUND.

They want rain without thunder and lightning.

They want the ocean without the awful roar of its waters.

This struggle may be a moral one; or it may be a physical one; or it may be both moral and physical; but it must be a struggle.

Power concedes nothing without a demand.

It never did, and it never will.

Find out just what people will submit to, and you have found out the exact amount of injustice and wrong which will be imposed upon them; and these will continue until they are resited with either words or blows, or with both.

THE LIMITS OF TYRANTS ARE PRESCRIBED BY THE ENDURANCE OF THOSE WHOM THEY OPPRESS."
