

Petition for the NJ General Election for Congressional District 6

Note that signers must be registered to vote in the 6th district. Circulators of the petition should be registered voters in New Jersey – but not necessarily in district 6.

At any time once you have started gathering signatures take your petition booklet(s) to a Notary Public. At the Notary:

- Find the page titled “Affidavit of Person Who Circulates This Petition and Witness Signatures”.
- Print your name on the line as the Circulator/Witness
- While in front of the notary sign on the line “Signature of Circulator Witness.” Add your address below that. It should be the address where you are registered to vote.
- Notary should then fill out the information to the left of your signature.

Once you are done collecting signatures contact tara@njlp.org for collection. Petitions are due in Trenton on June 7th.

Tara Fisher

for CONGRESS **New Jersey CD 6**

My name is Tara Fisher and I am running for Congress in New Jersey's Sixth Congressional District.

I believe in the American people and that most people want to live unmolested by unnecessary government control. That we are all born free, with the natural right to protect ourselves from coercion and deprivation of life. That people have a right to choose how they live their own lives, as long as it does not impede on the rights of others. That government controls have eroded our level of medical care, freedom of choice, and reasonable costs. That people should be able to control how their income is spent on a voluntary basis. That the government unconstitutionally wastes money, surveils citizens, and fights offensive wars. I want to fight for freedom for all Americans, and I hope you will choose me to fight alongside and for the American people.

Thank you for considering helping to get me onto the ballot.

In Liberty,

Tara Fisher
